

FRONT RANGE WOODTURNERS

A Chapter of:

OCTOBER 2015, VOLUME 15 - NUMBER 10

EDITOR: JIM PROUD

Upcoming Events

Next Demonstration

Our demonstrator at the October 6th meeting will be **Rick Orr** who will demonstrate making lidded boxes. Looking ahead, in November will welcome Gordon DeKrey demonstrating segmented work.

Monthly Meetings

Monthly meeting times: Social Hour is 5:30-6:15. Club Business, Gallery, and Wood Raffle begins at 6:15. The evening's demonstration follows the break and ends on or before 9:00 pm.

Turning Challenge

The Perpetual Turning Winner for September was **Scott Thomsen**, who took home **John Chart's** bowl.

October Turning Challenge – Christmas tree ornaments.

Everyone is encouraged to bring in a turned piece to share in the Instant Gallery, regardless of the turning challenge for that month.

Important Note: Even though a turning challenge is announced for a meeting, this does not mean that other items can't be brought for the show & tell. Feel free to bring in what you've created and don't feel you have to be a master turner to show off your work. Everyone has to start as a novice.

Clean-up Crew

Many thanks to everyone who helped clean up after September's meeting.

Even though you are not officially signed up to help clean up after the meeting, anyone can jump right in and lend a hand. Volunteers are always welcome.

Librarian's Corner – Bob Britt

Once again the FRW website contains the current listing of your library resources. Thanks to Christine and Mark Hanson as our new web site coordinators. Thirty two back issues of the American Woodturner magazine (published by AAW) were added this month. All of these were donated and should be readily identifiable in the leftmost column by the indicator “New Oct”.

Also new this month on the website: we have added an index for the first 271 issues of the popular magazine “Woodturning”. Scan this PDF file at leisure for a project that you need ideas or help with then reserve that issue. This resource should help pinpoint the issues that could be helpful to your current interest. The articles are categorized and sequenced as follows: FEATURE, PROJECT, REGULARS, SKILLS and PROJECTS, TECHNICAL, TECHNIQUE, TEST and TEST REPORT. For each item the magazine number and page number are listed. The FRW Library does not have every one of the first 271 issues but a number of donated magazines have been added over the past six months. If and when the publisher issues an updated index to include the most recent copies we will update our files accordingly.

Ladies of the Lathe – Alisa Limvere

All female members of the FRW, aged 12 or older, are invited to join the Ladies of the Lathe. Turning is a finesse skill that anyone can learn. LOTL is intended to provide a comfortable, easy-paced, and non-threatening environment for women to learn and advance their skills in turning.

Classes are scheduled for the **3rd Saturday of every month** in the basement of Rockler Woodworking. These classes are provided to expand the knowledge and skills for female woodturners, from complete novices to intermediate to eventually advanced skills. The classes will be structured with the first 2-3 hrs introducing a

FRONT RANGE WOODTURNERS

skill, technique, or basic knowledge, with the rest of the day practicing that skill with a project. Please feel free to submit requests or ideas for classes. Next class will be Saturday, October 17th. Check with Lisa for times.

Space will be limited to a maximum of 5-7 attendees, so please be sure to reserve a spot. Materials and equipment will be provided.

Massive muscles are not required. We need more lady turners to make shavings. Why should the guys have all the fun?

Mentoring Program – Marty Christensen

The mentoring program is well under way. **Marty Christensen** will be hosting mentoring sessions the Monday following our regular monthly meetings at Rocklers. We meet in the basement of Rockler from 5 to 7pm.

Newsletter – Jim Proud

Comments and articles for the monthly newsletter should be emailed to the editor at cavaleon1956@gmail.com. Please put FRW Newsletter in the subject line. Submissions must arrive one week before the next meeting which will help get the newsletter out in a timely manner. Deadline for the October edition is September 29.

Wood Raffle - Lavonne Kaiser

Bring in a piece or two of wood you would like to donate to the club for the wood raffle each month and you will receive one free ticket. Tickets sell for \$1 apiece. The money supports the overall activities of the club.

Perpetual Turning Project

The concept is that the item brought for the Perpetual Turning Project is the first item in the next month's raffle. The member who wins the turning must bring another turning to the next month's meeting. It's an excellent chance for members to gain pieces made by other members. The turning can be as plain or fancy as you want. Beginners can participate just as much as advanced turners. If the first winner doesn't want to make a turning, he/she can choose just the wood, and the next winner can take the turning.

Instant Gallery

Due to technical difficulties there are no photos from September. Bring in some of your pieces for the October 6th meeting though, and we will get some pictures for the November newsletter

Miscellaneous

AAW Membership

The American Association of Woodturners (AAW) is our "mother" organization. FRW is a chapter of AAW. AAW has a separate membership fee and program from FRW with multiple benefits, not least of which is their quarterly American Woodturning magazine. See AAW's website at www.woodturner.org. Featured Providers

FRONT RANGE WOODTURNERS

Rocklers provides a 10% discount for many items for club members. Rockler keeps the cash register open until the end of the meeting break. Try to do your shopping before the end of the break, so that they can get out quickly after the end of the meeting.

Parking Courtesy

Rockler has requested that we do not park in front of the neighboring open businesses as a courtesy. Please leave room for their customers. If the lot in front of Rockler is full, there is ample additional parking across Colorado Blvd.

Turning Challenge Rules

Voting – Please vote once for each experience class. Votes are tallied after the break and the winners announced.

You don't have to compete in the Turning Challenge, but it can be fun. Remember that you can bring other types of turnings for the Show and Tell, too.

Here are the rules for the Turning Challenge.

Category – Typically, each month's challenge is the topic from the previous month's demonstration, unless otherwise indicated in the newsletter.

Competing – Please fill out a Show and Tell form for your competition piece and be sure to mark whether you think you are a Beginner,

Intermediate, or Advanced turner.

Courtesy During Meetings

We have been requested to please stay seated and quiet during the meeting and demonstration as a courtesy to our demonstrators and fellow members. If you feel the need for conversation during the meeting or demonstration, please feel free to step out into the Rockler store.

Also, please return promptly after the break to make sure we don't lose time for our demonstrator.

Problems Receiving Emailed Newsletter?

Unfortunately, many email providers are automatically filtering attachments or entire emails because of the proliferation of viruses and spam. If you have signed up for an emailed newsletter, but haven't been receiving it lately, try the following:

- Confirm that your email inbox isn't full. Many email providers will automatically deny emails without telling you if you've used up your space allotment.
- Check with your email provider to see if they are filtering your email without you knowing.
- If your email provider allows you, add the following email addresses to your "Always Allow" or "Do Not Filter" list: You should receive the newsletter from this email address cavaleon1956@gmail.com
- Confirm with Jim (newsletter editor) or Alisa (membership chairman) that your e-mail address is correct.

FRONT RANGE WOODTURNERS

Rockler

Patronizing their store is the best “thank you” we can give Rockler for their generosity in letting us use their facilities for our ever-growing membership. Keep in mind that they keep the register open late on meeting nights just for us. Just be sure to complete any purchases no later than the mid-meeting break so these poor guys can start shutting down and go home.

As always – all FRW members get 10% off all items, except electrical or sale items, all the time. Just present your FRW membership card at time of purchase. (Note: This offer is only good at the Denver retail location, and is not valid for any other location or for Internet purchases.)

If you have suggestions for tools or materials that Rockler can carry, contact Rich Johnson, manager of the Denver store. Rockler web site: www.rockler.com.

Classifieds

Please note: All advertising in the Classifieds is free, but be sure to notify the newsletter editor if an item is no longer for sale. All ads that are older than 3 months will be deleted, unless you contact the newsletter editor. To submit a classified ad please email to: cavaleon1956@gmail.com. In the subject line put: FRW Classified Ad.
