Turning Challenge

The turning challenge this time around is to turn anything you like while bringing in the use of dye or color.

Important Note: Even though a turning challenge is announced for a meeting, this does not mean that other items can't be brought for the show & tell. Feel free to bring in what you've created and don't feel you have to be a master turner to show off your work. Everyone has to start as a novice.

Ladies of the Lathe – Robyn Herman

All female members of the FRW, aged 12 or older, are invited to join the Ladies of the Lathe. Turning is a finesse skill that anyone can learn. LOTL is intended to provide a comfortable, easy-paced, and non-threatening environment for women to learn and advance their skills in turning. Please contact Robyn for dates and times.

Librarian's Corner – Bob Britt

FRW is really quite fortunate in having such a dedicated group of Assistant Librarian's that a big Thank You is overdue to each and every one of them. Month in and month out these folks give up the social time activities in order to get library resources checked in, shelved and then checked out again. The consistency and dependability of the same individuals has made my job easier. The next time that you return or checkout material from your club library take a few seconds to say "Thanks for a job well done".

Looking ahead there are several distinct projects on this librarian's "To Do List". The first should make the Library Master on the FRW Internet site a little friendlier and easier to use. Hopefully this will be implemented in the next 60 days. You will be hearing more about it in coming months.

The second project will include the barcoding of library resources so that a hand held scanner can assist processing library activity. Although some "get ready" activities are underway most of this effort is planned for 2017. With these unfinished projects in hand it is my intention to serve once again as your club librarian should I be nominated and reelected.

In the meantime we continue to be on the lookout for new videos and books that would make appropriate additions to the FRW Library.

Shop Tours – Ken Rollins

There is no shop tour scheduled in September because of the two woodturning symposia coming up. Here are some photos from the tour in August at Gene Wentworth's home.

Please consider hosting an FRW tour or event. Sign up to host a shop tour by contacting **Ken Rollins**.

Mentoring Program – Marty Christensen

The mentoring program is going strong. We would like to extend an invite to all for the next mentoring class which will be on Monday, September 12th from 5-7pm in the basement of Rockler's.

Newsletter – Jim Proud

Comments and articles for the monthly newsletter should be emailed to the editor at cavaleon1956@gmail.com. Submissions should arrive at least one week before the next meeting.

Wood Raffle - Lavonne Kaiser

Bring in any wood pieces you would like to donate to the club for the wood raffle each month and you will receive one free ticket. Tickets sell for \$1 apiece. The money supports the overall activities of the club.

Perpetual Turning Project

The Perpetual Turning Winner at the August 2nd meeting was **Bruce Perry** who took home **Dale Sherman's** walnut oil lamp.

The concept is that the item brought for the Perpetual Turning Project is the first item in the next month's raffle. The member who wins the turning must bring another turning to the next month's meeting. It's an excellent chance for members to gain pieces made by other members. The turning can be as plain or fancy as you want. Beginners can participate just as much as advanced turners. If the first winner doesn't want to make a turning, he/she can choose just the wood, and the next winner can take the turning.

AAW Membership

The American Association of Woodturners (AAW) is our “mother” organization. FRW is a chapter of AAW. AAW has a separate membership fee and program from FRW with multiple benefits, not least of which is their quarterly American Woodturning magazine. See AAW’s website at www.woodturner.org.

Shop Tip from the AAW

An alternative to the "wooden running pads" described in another tip: Take one of the plastic nuts that is used in some plumbing connections, such as the flexible connector that attaches to water using appliances, and place it over the end of the conical live center. The point of the live center does not protrude past the open end of the plastic nut and thus provides a small circular support surface at the wood project. – Warnie Lore, St. Albans, West Virginia

Parking Courtesy

Rockler has requested that we do not park in front of the neighboring open businesses as a courtesy. Please leave room for their customers. If the lot in front of Rockler is full, there is ample additional parking across Colorado Blvd.

Turning Challenge Rules

Voting – Please vote once for each experience class. Votes are tallied after the break and the winners announced.

You don't have to compete in the Turning Challenge, but it can be fun. Remember that you can bring other types of turnings for the Show and Tell, too.

Here are the rules for the Turning Challenge.

Category – Typically, each month's challenge is the topic from the previous month's demonstration, unless otherwise indicated in the newsletter.

Competing – Please fill out a Show and Tell form for your competition piece and be sure to mark whether you think you are a Beginner, Intermediate, or Advanced turner. ***When you fill out the form for your piece, be sure to write legibly so the picture we take can be easily identified for this newsletter.***

Courtesy During Meetings

We have been requested to please stay seated and quiet during the meeting and demonstration as a courtesy to our demonstrators and fellow members. If you feel the need for conversation during the meeting or demonstration, please feel free to step out into the Rockler store.

Also, please return promptly after the break to make sure we don't lose time for our demonstrator.

Problems Receiving Emailed Newsletter?

Unfortunately, many email providers are automatically filtering attachments or entire emails because of the proliferation of viruses and spam. If you have signed up for an emailed newsletter, but haven't been receiving it lately, try the following:

- Confirm that your email inbox isn't full. Many email providers will automatically deny emails without telling you if you've used up your space allotment.
- Check with your email provider to see if they are filtering your email without you knowing.

- If your email provider allows you, add the following email addresses to your “Always Allow” or “Do Not Filter” list: You should receive the newsletter from this email address cavaleon1956@gmail.com
- Confirm with Jim (newsletter editor) or Mike (membership chairman) that your e-mail address is correct.

Rockler

Patronizing the Rockler store is the best “thank you” we can give Rockler for their generosity in letting us use their facilities for our membership. Keep in mind that they keep the register open late on meeting nights just for us. Just be sure to complete any purchases no later than the mid-meeting break so the Rockler staff can start shutting down the store.

As always – all FRW members get 10% off all items, except electrical or sale items, all the time. Just present your FRW membership card at time of purchase. (Note: This offer is only good at the Denver retail location, and is not valid for any other Rockler location or for Internet purchases.)

If you have suggestions for tools or materials that Rockler can carry, contact Rich Johnson, manager of the Denver store. Rockler web site: www.rockler.com.

Classifieds

Please note: All advertising in the Classifieds is free, but be sure to notify the newsletter editor if an item is no longer for sale. All ads that are older than 3 months will be deleted, unless you contact the newsletter editor to run it longer. To submit a classified ad email the newsletter editor at: cavaleon1956@gmail.com.

No ads this month.
