Dear Fellow Woodturners,

Thanks to Mike Towndrow at Woodcraft Supply, Denver area woodturners have a meeting place and the opportunity to get together to organize a local woodturners group. We will plan workshops, demonstrations, and future educational activities. We are looking forward to your ideas, suggestions and help in organizing.

For our first meeting, if you can bring any of the following it would help to get off to a good start.

Things you have made, or pictures, special tools, etc. for show and tell

A piece of wood to donate to door prize drawing

Wood, tools or pictures of machines to sell or trade

Ideas for workshops or people who would like to demonstrate

A Conover lathe will be available for demonstrations. If you would like to share your techniques with the group, please do bring your tools and wood.

We are hoping for a good turnout, please tell your friends.

Hope to see you Tuesday,

Bayard Blessing
