Front Range Woodturners

A Chapter of the American Association of Woodturners

Our next meeting will be April 4, 2000, at Schlosser's.

Our guest for this meeting is Trent Bosch. Trent is a turner from Ft. Collins who is gaining some national attention and demonstrates at the AAW annual meeting. Trent is a very good turner and puts on a good demonstration, so plan to be there.

Our demonstrator for May will be Guilio Marcolongo, from Australia. I hope this will be a dual session. Guilio puts on a very entertaining demonstration, so don't miss it.

Ken Sager, New Zealand is tentatively scheduled for the June meeting. Turning for over 50 years Ken has earned the title of "Grandfather of New Zealand Woodturning."
