FRWT NEWS

Front Range Woodturners

A Chapter of the American Association of Woodturners

Our next meeting will be November 7, 2000, at ROCKLER on Colorado Blvd.

The meeting will be put on by Sorby Tools, and will feature new items.

Have we found a new program director yet? Any volunteers?

I understand that the Christmas party will be a joint venture with the Ft. Collins club, so here's a quote for you:

"As you know everyone from the FRWT and PPWT Clubs are all invited. All we ask of you is : For those whose names begin with A - P bring a desert (enough for approximately 10 people. The ones who are I - P bring Entrees and Q - Z bring Salad, also place servings for you and your guests. Keep in mind it is a family gathering, so feel free to bring the wife and the children. Oh yes, and Don't forget....your favorite turned top for the TOP WARS!!!!!! RMWT will furnish any and everything else.

Please mention this to your membership at your up coming meeting. The date for the party is December 7 at 6:30 - 7:00 p.m. (I think it is best to say...when you show up the fun begins!) I will be putting a map in the December newsletter for everyone. It is very easy to get too, and very close to I-25.

If you could let me know an idea of how many from each club will be planning on coming, I would appreciate it, as we will need to get the meat, cheese, and vegetable trays ahead of time.

Thank you for your time, and hope to see many of your members there!
Nancy Quick-Brewer"

REMEMBER THE NOVEMBER 7 MEETING IS AT ROCKLER 2553 S. Colorado Blvd
