Upcoming Events

May – Tuesday, May 6.
 Demonstrator will be Paul (“Doc”) Thode. His specialty is scale miniature Windsor chairs. Whatever he does will be very educational. In addition, we will be having a club competition for boxes. Bring your best box for judging and if you win, you’ll receive a prize. ❖

News

Day at the Races!

Belt sander races, that is. Ever wanted to feel like Tim Allen in Home Improvement? Rocklers, on Colorado Blvd., is having a Belt Sander Race Day on May 17, starting at about 10:00 am. There are three classes: Stock, Modified, and Vintage. A \$50 gift certificate is awarded to the winner in each class. In addition, a \$50 gift certificate is awarded to the “Most Original Design.”

Free hot dogs, pop, and prizes throughout the day. Tool swap tables are available for rental at \$10. All proceeds go to benefit the Excelsior Youth Center. Be sure to bring your extra long extension cord!

Board Meeting Review

The members of the FRW board met and decided the following:

- Formalized the scholarship program by deciding to sponsor Brandon Mackie and Adam Kelley to the Provo, Utah Wood Symposium.
- Will be purchasing a new chuck, adapters, and live center for the demonstration lathe.

- Allocated \$200 to purchase videos and books for the club library.

As always, we are looking for volunteers to nominate officers and to suggest demonstrators and programs.

Meeting Congestion

We have so many new members (over 120 now!) that we want to reduce congestion in the meeting room itself. In response, we will be moving the library to the back of the room, by the badges. In addition, Jill Rice will try to make herself available in the same area before meetings to conduct membership business. Please look for her there if you have a question about dues or your membership.

Please try not to block the aisles before and during the meetings so that we can get set up and running more easily. A reminder to keep conversation to a minimum during the demonstration as a courtesy to demonstrator and fellow members.

Club Contests

Starting in May, every month, FRW will announce a category for members to compete in by bringing in their best work in that category. Prizes will be awarded to the winners, for as

FRONT RANGE WOODTURNERS

long as the prizes last. Prize donations and category suggestions are welcome.

Free Wood

Bob Flaxman will be moving, and has a lot of wood to give away. If you are interested, call him at 303-321-2039. Bring a chainsaw.

Get Published

This from Barbara Craig:

There was an ad in *Fine Woodworking* for submitting work to be included in a book on bowls. Their website is www.Larkbooks.com. Go to "designer & author submissions," then "artist submissions," then down to "500 wood bowls". The submissions deadline is July 10, 2003.

Featured Providers

Wood Emporium, Loveland, provides a 10% discount for FRW members.

As always, Rocklers, Colorado Blvd, Denver, provides a 10% discount for club members – see the Rockler section on page 6. Rockler will be keeping the cash register open until the end of the meeting. Try to do your shopping during the break or before the end of the meeting, so that they can get out quickly after the end of the meeting.

Club Website

Brandon Mackey is asking for suggestions on what to put on the FRW website.

He is in the process of building a gallery of items created by fellow members. If you have a photo of something that you have made that you want added to the gallery, bring it to the meeting and either Brandon or Alisa will scan it for addition to the gallery.

In addition, Brandon Mackie has offered to take pictures of items made by club members to post on the web site in a Club Gallery.

If you are interested, he will be bringing a camera and black board to photograph your items at the meetings.

If you have questions, contact Brandon at ihatemondays1@hotmail.com.
