Upcoming Events

Important Note: Even though a turning challenge is announced for a meeting, this does not mean that other items can't be brought for the show & tell. Feel free to bring in what you've created and don't feel you have to be a master turner to show off your work.

March – March 1. Don Derry – “Reverse” Hollow Technique.
Turning challenge: Candle or Oil Lamp Holder.

April – April 5. Turning challenge: Turned boxes.

May – May 3. Turning challenge: Multi-axis or Eccentric. ❖

News

Last Chance to Pay Dues

Check your mailing label if you receive your newsletter via USPS or your email to see if you are listed as not having paid your dues. If you receive a dues reminder, this means this is your *LAST* newsletter. Please contact Richard Bailey or Bear Limvere to renew your dues or if you think there is an error.

Don Derry Classes

Don Derry, our March demonstrator, has tentatively scheduled an all-day demo at the Loveland High School on Saturday, March 5. The class will be \$100 per person. This is a chance to be taught by one of the internationally known woodturners. Check out his website at www.donalderry.com (amazing!). Contact Andy Zartman for more information.

Channel 6 Auction

Gene Wentworth is gathering donated items for the Channel 6 Auction. We require a minimum of 8 items, each worth at least \$75, totaling over \$1,000 in value to get our own table. The March meeting is the *final* due date when Gene can accept items. If you bring an item to donate, be sure to get a form from him to fill out with information about the item.

In addition to the satisfaction of knowing they help a good cause, donors are invited to a rather posh “art preview” party on March 5 for the artists who donate, hosted by Channel 6.

Smock Orders

Jerry Smith is taking orders for woodturner smocks. They will be blue, with the AAW logo and your name embroidered on the smock. Cost is \$35 each to be paid on delivery. The March meeting is the deadline for orders, with delivery by the April meeting. This will be the last order placed this year. Contact Jerry to order your own, personalized smock and be sure to give him the name to be embroidered and the smock size.

Mentoring Classes

Phil Houck has organized hands-on mentoring classes at Rocklers for the 2nd and 4th Mondays of each month. This is one of the benefits of being a member where you get hands-on training and practice using tools and the lathe. This is an excellent opportunity for those beginners and those wanting to practice up. Sign up early because these classes fill quickly. Phil's info is in the Club Information (see page 8).

FRW Scholarship at CSU

As Jerry Smith told us at the Feb. meeting, the FRW has a scholarship fund that it has endowed the Colorado State

FRONT RANGE WOODTURNERS

University to use for students in the Technology Education and Training program. The scholarship value is currently about \$43,000. Unfortunately, CSU is phasing out the TET program, but Jerry is working with them to make sure that the scholarship funds will be used to further woodturning education. We will keep you updated as news progresses.

FRW Website

The FRW website, www.frontrangewoodturners.com, now has a discussion board. Feel free to log on and exchange info, ask question, and interact with your fellow woodturners. There are lots of other, useful info on the website. Check it out. (And thanks, Brandon, for keeping it up.)

Bulk Orders

As always, check with Dave Hawley at each meeting if you have placed an order with him or if you want to get in on one of the bulk orders that he organizes.

Following is the schedule of bulk orders that Dave will be organizing for 2005:

Industrial Abrasives: Apr, Jul, Oct
Starbond (CA Glue): Mar, Sept
Craft Supplies: Apr, Oct
Cutting Edge (Tools): Apr, Oct.

All bulk orders depend on making minimum amounts to get the discounts. The greater the order, typically the greater the discount. Again and as always, thanks, Dave, for working so hard to save us all some money.

Club Library

Suggested Items

Contact Jim Applegate for suggestions about materials

(books, videos, DVDs) to be added to our club library. The club does have a budget to purchase library materials and look to you to tell us what you want.

Of course, if you want to make donations to the library, all donations are gratefully accepted.

Featured Providers

Klingspor will honor their 10% discount commitment in one of several ways. First, if you call in, let them know you're on the FRW member list, and you'll get the discount. Second, if you want to order on-line, first send an email to sales@woodworkingshop.com with your username (format is first name + last initial - i.e., John Smith would be "johns"), billing address, phone # and preferred password. Rockler

Patronizing their store is the best "thank you" we can give Rockler for their generosity in letting us use their facilities for our ever-growing membership. Keep in mind that they keep the register open late on meeting nights just for us. Just be sure to complete any purchases no later than the mid-meeting break so these poor guys can start shutting down and go home.

As always – all FRW members get 10% off all items, except electrical or sale items, all the time. Just

present your FRW membership card at time of purchase.

(Note: This offer is only good at the Denver retail location, and is not valid for any other location or for Internet purchases.)
