## Upcoming Events

**Important Note:** Even though a turning challenge is announced for a meeting, this does not mean that other items can't be brought for the show & tell. Feel free to bring in what you've created and don't feel you have to be a master turner to show off your work.

*September* – Tuesday, September 5.  
Barbara Craig will be demonstrating how to turn and carve wooden forms.

*October* – Tuesday, October 3. Steve DeJong will be demonstrating Christmas Ornaments.

*November* – Tuesday, November 7, TBD.

*December* – Tuesday, December 5. Holiday Party. ❖

## News

### Auction of FRW Vicmarc

At the September meeting, we will be holding the auction for the Vicmarc lathe that FRW previously used for demonstrations. It's a Vicmarc VL200, 1hp, electronic speed control. Gently used only once per month ;c).

New price for this unit is \$2,200. The reserve price for this lathe is \$1,200. It will be an open auction, and top bidder will take it once the reserve is met. The complete payment must be received before you can take ownership of the lathe.

### Rocky Mountain Woodturning Symposium

The RMWT Symposium is nearly here. Scheduled for September 16-17 at the First National Bank Exhibition Hall at The Ranch, Larimer County Fairgrounds in Loveland. For more information, see their website:

[rmwoodturningsymposium.com](http://rmwoodturningsymposium.com) .

They are asking for volunteers to help put on the symposium. Contact Tom Wirsing for more information.

### Woodworking Show

The Woodworking Show will be November 17-19 at the Denver Mercantile Mart. FRW will have a booth at the show, and we would like to have volunteers to man the booth and possibly demonstrate during the day. Contact Marty Christensen at [mecstoys@comcast.net](mailto:mecstoys@comcast.net) for more information about volunteering.

### Show and Tell

Because our meetings are so full, we can't spend a lot of time on Show and Tell. It has been suggested that everyone that brings an item to Show and Tell also brings a small card or paper with a description of the piece, such as wood type, finish, any special technique, or anything else that you think might be of interest. That way, we can still share for Show and Tell, and still maximize our time for the rest of the meeting.

### Toy Donations Wanted

Bill Hopper has made the request for members to make and donate toys to the Christmas Toys Program sponsored by the Woodworkers Guild. They are looking for toys suitable and safe for small children to pre-teens (though, if you have cool toys for teenagers, they would gladly

# FRONT RANGE WOODTURNERS

accept those, too). These toys go to needy children in the area, such as foster children, children being protected from domestic violence, etc. For many of these kids, these are the only gifts they will receive for Christmas. The deadline to get the toys to Bill is at the November meeting. Bill will even donate the wood. Feel free to contact him at the next meeting if you have any questions.

## *Upcoming Classes*

We have some excellent opportunities for you to learn from premier turners from all over the world. All these classes have limited spots, so be sure to sign up early. Contact Andy Zartman at 303-859-0724 or via email: [AWZartman@gmail.com](mailto:AWZartman@gmail.com) to reserve a spot.

### *Sept 21 & 22 (Thursday & Friday) - Stuart Batty*

Stuart Batty will be teaching a hands-on class of "Techniques." Stuart is renown for his thin-walled vessels and winged bowls. Cost of class will be published in the next newsletter.

### *Sept 23 (Saturday) – Stuart Batty*

Stuart will have a full day demonstration 10:00 am to 1:00 pm and 2:00 pm to 5:30 pm at Rockler. **Change:** There will be no fee for this demonstration.

### *Sept 24 & 25 (Sunday & Monday) – Stuart Batty*

Stuart Batty will be teaching a hands-on class of "Advanced." Students in the "Advanced" class must have taken the "Techniques" class prior at one time or another. Cost will be published in the next newsletter.

## *Shop Tour Announcements*

Roger Holmes will host a shop tour at his shop on Saturday, September 9<sup>th</sup>, from 1:00 to 3:00 PM. His shop is located at 1844 W. Plum Cir in Louisville, 80027, just off the corner of McCaslin Blvd and South Boulder Road. Tel (303) 665-8041

If you have ever attempted or plan to attempt to set up and organize a complete shop in a basement or garage with very limited space, you will most certainly appreciate and enjoy visiting this shop!! Roger, who has an engineering background and considerable experience with several major companies, has gone to considerable length and extensive detail in the development of his shop. The dust collection and exhaust system is very well done, as is evidenced in how clean and neat the shop appears. The space allocation and organization of the major power tools is particularly well done.

OF PARTICULAR NOTE! Roger has a full size Woodfast wood lathe which he has adapted, for use when needed, to function as a full use metal lathe. If there is interest, he has indicated that he would demonstrate its setup and use. You might also enjoy seeing some of his excellent wood turnings.

Roger will have maps available at the September 5th meeting.

## *Thanks, Grove*

Grover Brown has donated a compressed air tank to the FRW for use in demonstrations or traveling shows (such as the Woodworkers Show). Thanks much, Grove!

## *Channel 6 Update*

Member items donated to the Channel 6 auction raised over \$110,000 for this worthy cause. Again and as always, many thanks to our generous members who donated these items.

## *AAW Scam Warning*

The following was received from AAW:

Recently one or more people have received telephone calls to join the AAW or to subscribe to the AW Journal (magazine). Here are the facts:

- The AAW does not do any telemarketing or phone soliciting for membership or magazine subscriptions.
- The AAW does not endorse any agents to solicit AAW membership or magazine subscriptions.

Any such telephone call you receive to this effect is a form of "phishing," where an unscrupulous person is trying to get your credit card or other personal information for their illegal usage. You should not give out your credit card number or personal information as a general policy unless you initiate the phone call to a known business.

Thanks,

John Hill - Chairman AAW  
Chapters and Membership  
Committee  
828-645-6633  
[johnrhill@charter.net](mailto:johnrhill@charter.net)

## *Perpetual Turning Project*

Mark March brought his beautiful elm bowl to continue the Perpetual Turning Project, but we did not have a raffle at the July meeting.

# FRONT RANGE WOODTURNERS

---

So, he will be bringing it to the August meeting. See the Show and Tell for a photo of it.

The concept is for the item brought for the Perpetual Turning Project is the first item in the next month's raffle. The member who wins the turning must bring another turning to the next month's meeting. Repeat. It's an excellent chance for members to gain pieces made by other members. The turning can be as plain or fancy as you want. Beginners can participate just as much as advanced turners. If the member doesn't want to make a turning, he/she can choose just the wood, and the next winner can take the turning.

## *Applications for Demonstrators*

AAW is also asking for applications for demonstrators to the 2007 Woodturners Symposium. Contact them at [inquiries@woodturner.org](mailto:inquiries@woodturner.org) or at 651-484-9094.

## *Bulk Orders*

The next group orders will be accepted at the October meeting for Craft Supplies and Cutting Edge.

Check with Dave Hawley at each meeting if you have placed an order with him or if you want to participate in one of the bulk orders that he organizes. You can also call him at 303-443-2332 or [dave\\_hawley@comcast.net](mailto:dave_hawley@comcast.net) if you have questions.

By the way, in the last 2 years, FRW members has spent over \$28,000 in these bulk orders. We have built a lot of purchasing power with our members.

## *Mentoring Classes*

Mentoring classes have been cancelled until further notice.

## *RMW Invitation*

The Rocky Mountain Woodturners have an open invitation to their monthly meeting. They meet on the first Thursday after our meeting at Colorado State University, Fort Collins, in the Industrial Sciences building, Room 105, at 7:00 pm. Their website is [www.rmwt.org](http://www.rmwt.org).

## *Volunteers Needed*

We need volunteers who can show up at 5:00 pm at Rockler before each meeting to brew coffee and setup. Please contact Ron Bentall or just appear. We'll put you to work.

## *Woodcraft Turning Demos*

Pete Holtus does demos every Thursday, 6:30-8:30 pm at Woodcraft, 4403 Tamarac Parkway, Denver. Contact Pete at 303-364-5365 for more information.

## Miscellaneous

### Courtesy During Meetings

We have been requested to please stay seated and quiet during the meeting and demonstration as a courtesy to our demonstrators and fellow members. You feel the need for conversation during the meeting or demonstration, please feel free to step out into the Rockler store.

Also, we must make sure to return promptly after the break to make sure we don't lose time for our demonstrator.

### Contacting the Editor

Due to the hundreds of spam emails that Alisa receives every day, she has requested that if you want to contact her via email, be sure to include "FRW" in the subject line. This will help her not miss your email or accidentally delete it when she is clearing the garbage from her inbox. Her email address is [alisalimvere@yahoo.com](mailto:alisalimvere@yahoo.com).

### Problems Receiving Emailed Newsletter?

Unfortunately, many email providers are automatically filtering attachments or entire emails because of the proliferation of viruses and spam. If you have signed up for an emailed newsletter, but haven't been receiving it lately, try the following:

- Confirm that your email inbox isn't full. Many email providers will automatically deny emails without telling you if you've used up your space allotment.
- Check with your email provider to see if they are filtering your email without you knowing.
- If your email provider allows you, add the following email addresses to your "Always Allow" or "Do Not Filter" list:

[alisalimvere@yahoo.com](mailto:alisalimvere@yahoo.com)  
[alimvere@mxlogic.com](mailto:alimvere@mxlogic.com)  
[matotanka@yahoo.com](mailto:matotanka@yahoo.com)

You may receive the newsletter from any of these addresses.

- Confirm with Alisa (newsletter editor) that your email address is correct.

It's worth setting up to receive the newsletter by email. It saves paper, postage, and you get to see the photos in full color.

If all else fails, you can tell Alisa to send you the newsletter in hardcopy via USPS.

### Shop Tours

Please contact Jerry Smith if you would be interested in hosting a shop tour of your shop. You would not need any formal presentation or demonstration unless you would like to. Most members would just like to see how you organize your shop, store equipment and supplies, see any jigs you made or special tools you've made, see some of your turnings and just shoot the breeze in general. It's really kinda fun. You would be surprised to know how much new members appreciate just talking woodturning and getting to know each other. *Try it - you will enjoy it and so will those who come.* ❖
