Upcoming Events

Important Note: Even though a turning challenge is announced for a meeting, this does not mean that other items can't be brought for the show &

tell. Feel free to bring in what you've created and don't feel you have to be a master turner to show off your work.

December – Tuesday, December 5. Holiday Party. No turning challenge. **Correction:** No Show and Tell. Member swap meet (if space permits). Donated items accepted for the auction.

January – Tuesday, January 2. Round-robin demo – multiple demonstrators at multiple stations. ❖

News

Missing Newsletter

Due to editor mistake, there was no November newsletter. This issue is a "catch-up" and combines the November and December information. Many apologies.

December Holiday Party Location!

We have a location for our Holiday Party! The party will be held Dec. 5 starting at 6:30 pm, at the First Plymouth Congregational Church, 3501 S. Colorado Blvd. It is located at the southwest corner of intersection at Hampden and Colorado, approximately 10 blocks south of Rockler. Use the south door and parking lot. Many thanks to Earl and Carol Weibel for getting this for us.

Dinner and soft drinks will be provided. Feel free to bring side dishes, appetizers, and/or desserts. (Desserts, yes!)

Also, we will be having an auction of donated items with all proceeds

going to FRW. Feel free to bring items to donate and/or your checkbook to buy.

Contact Bear or Alisa at 303-648-3414 if you want to volunteer before, during, and after the dinner in cooking, serving, and most importantly, clean up.

December Holiday Party RSVP

Please send an RSVP by Nov. 30 to the Limveres at 303-648-3414 or alisalimvere@yahoo.com with your name and whether you will be bringing a guest. Apologies, but the Holiday Party is reserved for FRW members and their guests only.

FRONT RANGE WOODTURNERS

Turning Challenge Rules

To clear up some confusion, here are the rules for the Turning Challenge.

Category – Typically, each month's challenge is the topic from the previous month's demonstration, unless otherwise indicated in the newsletter.

Competing – Please fill out a Show and Tell form for your competition piece and be sure to mark whether you think you are a Beginner, Intermediate, or Advanced turner.

Voting – Please vote once for each experience class. For example, you can vote once for a Beginner, once for an Intermediate, and once for an Advanced piece. Votes are tallied after the break and the winners announced.

Bulk Orders

Dave Hawley, Group Buy Coordinator, has made arrangements with multiple vendors to get discounts when orders from multiple members are combined into a single bulk order. Bulk order discounts are reserved for full members of FRW.

Dave Hawley will have a sheet for members to sign up for bulk order discounts. This single sign-up gives your permission to provide your mail information to multiple

vendors, such as Woodcarver's Supply and Klingspor. It is FRW's policy that we do not provide our member roster to vendors, so if you want to tap into these discounts, please be sure to sign up.

Vendors:

- Industrial Abrasives – Min. order \$50. Includes sanding disks/mandrels. 5% shipping, or wholesale prices with 10% shipping. No tax.
- Handibond (CA Glue) – Min. order \$100. No tax, no shipping.
- Woodcarvers Supply – Min. order \$170. 10% discount everything in catalog. \$7.50 shipping split between all members participating in order. No tax.
- Craft Supplies – Min. order \$1,000. Discounts vary. Usually 13% for non-powered items. Machinery and special shipping items will differ. No tax.
- Klingspor – Member can make individual orders once signed up. Do not require bulk order.

Following is the schedule for the bulk order for 2007:

- Jan – Industrial Abrasives, Handibond, Woodcarvers Supply
- Feb – Craft Supplies
- Mar - Industrial Abrasives, Handibond, Woodcarvers Supply
- Apr – Craft Supplies
- May – None
- Jun _ Industrial Abrasives, Handibond, Woodcarvers Supply
- Jul – Craft Supplies
- Aug – None
- Sep - Industrial Abrasives, Handibond, Woodcarvers Supply
- Oct – Craft Supplies
- Nov & Dec - None

Check with Dave Hawley at each meeting if you have placed an order with him or if you want to participate in one of the bulk orders that he organizes. You can

also contact him at 303-443-2332 or dave_hawley@comcast.net.

Note: If you can find the item at Rockler, please be sure to purchase it from them. We do owe it to them for providing our meeting area and additional events at their store.

Channel Six Auction

FRW members have provided excellent support for the Channel Six Auction in the past. Pete Holtus will be the new coordinator and will be accepting donations through the February meeting. Each donated item must be worth a minimum of \$75. If we reach a minimum total, we will be given our own table to display our items. Members who donate will be invited to the preview party – details to follow.

AAW Membership

The American Association of Woodturners (AAW) is our "mother" organization. FRW is a chapter of AAW. AAW has a separate membership fee and program from FRW with multiple benefits, not least of which is their quarterly *American Woodturning* magazine. If you join or renew your members online at the below website, you will become eligible to win a Powermatic 3520B lathe.

<http://www.wmhtoolgroup.com/shop/index.sfm?navPage=4&iid=6056397>

Copy the above address into the address field in your web browser. Check out AAW's website at www.woodturner.org.

Perpetual Turning Project

The concept is for the item brought for the Perpetual Turning Project is

FRONT RANGE WOODTURNERS

the first item in the next month's raffle. The member who wins the turning must bring another turning to the next month's meeting. Repeat. It's an excellent chance for members to gain pieces made by other members. The turning can be as plain or fancy as you want. Beginners can participate just as much as advanced turners. If the member doesn't want to make a turning, he/she can choose just the wood, and the next winner can take the turning.

See the Show and Tell section for which item was part of the Perpetual Turning Project.

Applications for Demonstrators

AAW is also asking for applications for demonstrators to the 2007 Woodturners Symposium. Contact them at inquiries@woodturner.org or at 651-484-9094.

Mentoring Classes

Mentoring classes have been cancelled until further notice.

RMW Invitation

The Rocky Mountain Woodturners have an open invitation to their monthly meeting. They meet on the first Thursday after our meeting at Colorado State University, Fort Collins, in the Industrial Sciences building, Room 105, at 7:00 pm. Their website is www.rmwt.org.

Volunteers Needed

We need volunteers who can show up at 5:00 pm at Rockler before each meeting to brew coffee and setup. Please contact Ron Bentall or just appear. We'll put you to work.

Woodcraft Turning Demos

Pete Holtus does demos every Thursday, 6:30-8:30 pm at Woodcraft, 4403 Tamarac Parkway, Denver. Contact Pete at 303-364-5365 for more information.

Miscellaneous

Courtesy During Meetings

We have been requested to please stay seated and quiet during the meeting and demonstration as a courtesy to our demonstrators and fellow members. You feel the need for conversation during the meeting or demonstration, please feel free to step out into the Rockler store.

Also, we must make sure to return promptly after the break to make sure we don't lose time for our demonstrator.

Contacting the Editor

Due to the hundreds of spam emails that Alisa receives every day, she has requested that if you want to contact her via email, be sure to include "FRW" in the subject line. This will help her not miss your email or accidentally delete it when she is clearing the garbage from her inbox. Her email address is alisalimvere@yahoo.com.

Problems Receiving Emailed Newsletter?

Unfortunately, many email providers are automatically filtering attachments or entire emails because of the proliferation of viruses and spam. If you have signed up for an emailed newsletter, but haven't been receiving it lately, try the following:

- Confirm that your email inbox isn't full. Many email providers will automatically deny emails without telling you if you've used up your space allotment.
- Check with your email provider to see if they are filtering your email without you knowing.
- If your email provider allows you, add the following email addresses to your "Always Allow" or "Do Not Filter" list:

alisalimvere@yahoo.com
alimvere@mxlogic.com
matotanka@yahoo.com

You may receive the newsletter from any of these addresses.

- Confirm with Alisa (newsletter editor) that your email address is correct.

It's worth setting up to receive the newsletter by email. It saves paper, postage, and you get to see the photos in full color.

If all else fails, you can tell Alisa to send you the newsletter in hardcopy via USPS.

Shop Tours

Please contact Jerry Smith if you would be interested in hosting a shop tour of your shop. You would not need any formal presentation or demonstration unless you would like to. Most members would just like to see how you organize your shop, store equipment and supplies, see any jigs you made or special tools you've made, see some of your turnings and just shoot the breeze in general. It's really kinda fun. You would be surprised to know how much new members appreciate just talking woodturning and getting to know each other. *Try it - you will enjoy it and so will those who come.*

AAW Scam Warning

The following was received from AAW:

Recently one or more people have received telephone calls to join the AAW or to subscribe to the AW Journal (magazine). Here are the facts:

The AAW does not do any telemarketing or phone soliciting for membership or magazine subscriptions.

The AAW does not endorse any agents to solicit AAW membership or magazine subscriptions.

Any such telephone call you receive to this effect is a form of "phishing," where an unscrupulous person is trying to get your credit card or other personal information for their illegal usage. You should not give out your credit card number or personal information as a general policy unless you initiate the phone call to a known business. ❖

Keep in mind that they keep the register open late on meeting nights just for us. Just be sure to complete any purchases no later than the mid-meeting break so these poor guys can start shutting down and go home.

As always – all FRW members get 10% off all items, except electrical or sale items, all the time. Just present your FRW membership card at time of purchase. (Note: This offer is only good at the Denver retail location, and is not valid for any other location or for Internet purchases.)

If you have suggestions for tools or materials that Rockler can carry, contact Rich Johnson, manager of the Denver store. Rockler web site: www.rockler.com.
