## Upcoming Events

**Important Note:** Even though a turning challenge is announced for a meeting, this does not mean that other items can't be brought for the show & tell. Feel free to bring in what you've created and don't feel you have to be a master turner to show off your work.

*April* – Tuesday, March 6.  
 Demonstrator: Dennis Liggett will be demonstrating a laminated, twisted stem goblet. Turning challenge: Easter Eggs (since “finishes” would be a difficult challenge to judge :c) ).

*May* – Tuesday, May 1. Demonstrator: Cindy Drozda and David Nittmann will be demonstrating “Design.” This is the same lecture that they will be giving at Provo.

*June* – Tuesday, June 5.  
 Demonstrator: Malcolm Tibbetts will be demonstrating segmented work. He's a published author and a world-class turning renown for making highly detailed segmented designs. He will have classes available, schedule to be announced.

*July* – **Date Changed.** Tuesday, July 10. Meeting date is being moved from July 3 to July 10 due to the holiday weekend. Demonstrator to be announced.

*August* – Tuesday, August 7.  
 Demonstrator: Bruce Hoover will be demonstrating sanding methods and processes. ❖

## News

### Rockler Big Sale

On March 31, Rockler will be having a 15% discount on all Dewalt, Porter Cable, and Delta items. This is your chance to get your shop setup the way you wanted or upgrade from those flea market pieces that you've made do with for years. Don't miss this one!

### Annual Roster

Attached or mailed with this newsletter is the annual roster of FRW members. It is provided to assist members to keep in contact.

**Important:** This roster is provided to members only and to the Woodworking Show. Please do not provide it to any other vendors or entities outside of FRW.

### Annual Smock Order

David Moncada will be taking orders for custom turning smocks at the April meeting. They will be embroidered with the FRW logo (see above) and your name. A full range of sizes are available in navy blue with a full-length zipper in the front. At only \$35, you can't beat this price! Cash or a check made payable to “Front Range Woodturners” will be required at the time of the order. If you cannot attend the April meeting, call David at 303-794-7377.

The order will be placed with the vendor on April 16th, so be sure to get your order in to David before then. Be sure to specify your size and name. Delivery is anticipated for the May meeting.

### Split Club?

Tom Wirsing has had several inquiries about splitting the club due to the number of members. If you are interested in presenting a new club idea, contact Tom (info in the Club Information on page 7).

### Turning Challenge Rules

Here are the rules for the Turning Challenge.

**Category** – Typically, each month's challenge is the topic from the previous month's demonstration, unless otherwise indicated in the newsletter.

**Competing** – Please fill out a Show and Tell form for your competition piece and be sure to mark whether you think you are a Beginner, Intermediate, or Advanced turner.

# FRONT RANGE WOODTURNERS

---

Voting – Please vote once for each experience class. For example, you can vote once for a Beginner, once for an Intermediate, and once for an Advanced piece. Votes are tallied after the break and the winners announced.

You don't have to compete in the Turning Challenge, but it can be fun. Remember that you can bring other types of turnings for the Show and Tell, too.

## *Group Purchases*

Dave Hawley and Roger Holmes are Group Buy Coordinators and have made arrangements with multiple vendors for discounts applicable to group purchases. Participation in these orders is reserved for full FRW members. Orders are either placed on distributed order forms, order forms available on the FRW website, or order forms created by members (typically using the vendor's ordering data elements).

You must sign up with Roger or Dave for group purchase discounts. It is FRW's policy that we do not provide our member roster to vendors, so if you want to tap into these discounts, please be sure to sign up.

## *AAW Membership*

The American Association of Woodturners (AAW) is our "mother" organization. FRW is a chapter of AAW. AAW has a separate membership fee and program from FRW with multiple benefits, not least of which is their quarterly *American Woodturning* magazine. Check out AAW's website at [www.woodturner.org](http://www.woodturner.org).

## *Perpetual Turning Project*

The concept is for the item brought for the Perpetual Turning Project is the first item in the next month's raffle. The member who wins the turning must bring another turning to the next month's meeting. Repeat. It's an excellent chance

for members to gain pieces made by other members. The turning can be as plain or fancy as you want. Beginners can participate just as much as advanced turners. If the member doesn't want to make a turning, he/she can choose just the wood, and the next winner can take the turning.

See the Show and Tell section for which item was part of the Perpetual Turning Project.

## *Applications for Demonstrators*

AAW is also asking for applications for demonstrators to the 2007 Woodturners Symposium. Contact them at [inquiries@woodturner.org](mailto:inquiries@woodturner.org) or at 651-484-9094.

## *Mentoring Classes*

Mentoring classes have been cancelled until further notice.

## *RMW Invitation*

The Rocky Mountain Woodturners have an open invitation to their monthly meeting. They meet on the first Thursday after our meeting at Colorado State University, Fort Collins, at the Woodcraft Store, 3718 Draft Horse, Dr, Loveland, CO at 7:00 pm. Their website is [www.rmwt.org](http://www.rmwt.org). The Woodcraft phone is 970-292-5940.

## *Volunteers Needed*

We need volunteers who can show up at 5:00 pm at Rockler before each meeting to brew coffee and setup. Please contact Ron Bentall or just appear. We'll put you to work.

## *Woodcraft Turning Demos*

Pete Holtus does demos every Thursday, 6:30-8:30 pm at

## ***Miscellaneous***

### ***Courtesy During Meetings***

We have been requested to please stay seated and quiet during the meeting and demonstration as a courtesy to our demonstrators and fellow members. If you feel the need for conversation during the meeting or demonstration, please feel free to step out into the Rockler store.

Also, we must make sure to return promptly after the break to make sure we don't lose time for our demonstrator.

### ***Contacting the Editor***

Due to the hundreds of spam emails that Alisa receives every day, she has requested that if you want to contact her via email, be sure to include “FRW” in the subject line. This will help her not miss your email or accidentally delete it when she is clearing the garbage from her inbox. Her email address is [alisalimvere@yahoo.com](mailto:alisalimvere@yahoo.com).

### ***Problems Receiving Emailed Newsletter?***

Unfortunately, many email providers are automatically filtering attachments or entire emails because of the proliferation of viruses and spam. If you have signed up for an emailed newsletter, but haven't been receiving it lately, try the following:

- Confirm that your email inbox isn't full. Many email providers will automatically deny emails without telling you if you've used up your space allotment.
- Check with your email provider to see if they are filtering your email without you knowing.
- If your email provider allows you, add the following email addresses to your “Always Allow” or “Do Not Filter” list:

[alisalimvere@yahoo.com](mailto:alisalimvere@yahoo.com)  
[alisa@standingpeopledesigns.com](mailto:alisa@standingpeopledesigns.com) (changed)  
[matotanka@yahoo.com](mailto:matotanka@yahoo.com)

You may receive the newsletter from any of these addresses.

- Confirm with Alisa (newsletter editor) or Bear (membership chairman) that your email address is correct.

It's worth setting up to receive the newsletter by email. It saves paper, postage, and you get to see the photos in full color.

If all else fails, you can tell Alisa to send you the newsletter in hardcopy via USPS.

## ***Shop Tours***

Please contact Jerry Smith if you would be interested in hosting a shop tour of your shop. You would not need any formal presentation or demonstration unless you would like to. Most members would just like to see how you organize your shop, store equipment and supplies, see any jigs you made or special tools you've made, see some of your turnings and just shoot the breeze in general. It's really kinda fun. You would be surprised to know how much new members appreciate just talking woodturning and getting to know each other. *Try it - you will enjoy it and so will those who come.*

## ***AAW Scam Warning***

The following was received from AAW:

Recently one or more people have received telephone calls to join the AAW or to subscribe to the AW Journal (magazine). Here are the facts:

# FRONT RANGE WOODTURNERS

The AAW does not do any telemarketing or phone soliciting for membership or magazine subscriptions.

The AAW does not endorse any agents to solicit AAW membership or magazine subscriptions.

Any such telephone call you receive to this effect is a form of "phishing," where an unscrupulous person is trying to get your credit card or other personal information for their illegal usage. You should not give out your credit card number or personal information as a general policy unless you initiate the phone call to a known business. ❖

## Rockler

Patronizing their store is the best “thank you” we can give Rockler for their generosity in letting us use their facilities for our ever-growing membership. Keep in mind that they keep the register open late on meeting nights just for us. Just be sure to complete any purchases no later than the mid-meeting break so these poor guys can start shutting down and go home.

As always – all FRW members get 10% off all items, except electrical or sale items, all the time. Just present your FRW membership card at time of purchase. (Note: This offer is only good at the Denver retail location, and is not valid for any other location or for Internet purchases.)

If you have suggestions for tools or materials that Rockler can carry, contact Rich Johnson, manager of the Denver store. Rockler web site: [www.rockler.com](http://www.rockler.com).
