Upcoming Events

Upcoming Events

Monthly meeting times: Social Hour is 5:30-6:15, Club Business, Gallery, and Wood Raffle begins at 6:15. Demonstration follows the break.

Important Note: Even though a turning challenge is announced for a meeting, this does not mean that other items can't be brought for the show & tell. Feel free to bring in what you've created and don't feel you have to be a master turner to show off your work. Everyone has to start as a novice.

The next regular meeting will be on October 7th.

Thanks to Sandy Perry, Mark Hanson, and Christine Hanson for cleaning up in September.

Librarian's Corner

Chair: Bob Britt

Librarian's Corner –

Just a quick reminder that a "Pick List" was created several years ago listing wood turners and other artists grouped by their area of expertise. A copy of that list is usually near the sign out desk. If you don't see it ask anyone on the Library Committee for it. It just might help you narrow down searching out resources about a specific technique or project.

A supplement to the "Pick List" has been added this month. If you consider yourself anything less than an intermediate wood turner or you are experienced and would like to review some basic procedures/techniques then this new group list could help you. It is not in any definitive sequence nor is it meant to be all inclusive of similar resources available in the FRW Library. It is meant to help those that might be newer to the club and/or turning in general. Good luck and most of all have fun.
